PERSONAL

February 11, 2013

Dear Prof. Dr. Sanjay Chordiya & Mrs. Sushama Chordiya

Please accept warm greetings and congratulations for the function organized on 7th Feb. 2013 for presentation of "Suryadatta National Lifetime Achievement Award" and "Suryadatta National Awards 2013".

Due to health problem, I am sorry I could not give full justice to the programme. I have also missed an opportunity to listen to the speeches of the eminent awardees.

Being part of your organization, I was hesitant to accept the award. However your love did not allow me to refuse the same. This programme also provided me an opportunity to meet several friends including Manindarjit Singh Bitta and others.

Love and affection of friends like you has always remained the strength in my life. I am sure that I will continue to receive the same in future.

I have my dream about Suryadatta Group of Institutes. Within few years, this Institute should be "Harvard" of India. Please try to fulfil my dream.

With warm regards and best wishes for Suryadatta Group of Institutes.

Yours sincerely,

Mohan Dharia

Multiple Career Opportunities for Students through Multi Disciplinary Integrated NEP compliant campus

Outcomes / Career @ Suryadatta

1) Higher Education for a Sustainable Career

Continuing the education after graduation not only broadens the student's set of skills but also opens up new career opportunities. Students will gain an in-depth understanding of the chosen field of specialization. Suryadatta Group of Institutes is a Multi-disciplinary Integrated campus offering PhD (Doctoral) course after completing PG.

2) Startup & Innovation (Young Entrepreneur)

Students are encouraged to think creatively and out of the box, to develop innovative solutions. Suryadatta has a separate Innovation & Incubation cell to facilitate the students interested in Start-Ups. The students at Suryadatta are guided by experts / entrepreneurs right from the ideation to establishing of the start-up. These students are not only self-employed, self-reliant but also provide employment to job seekers at a very young age.

3) Freelancing (Freelancer)

Students of courses such as Fashion design, Interior design, Animation, event management, Cyber Security, etc can take up projects of their respective domains from companies / individuals and complete / execute it single handedly. Suryadatta encourages such students by connecting with companies or other sources and assist them to get the projects, at the initial stage. Students are trained on general business acumen skills, communication & problem solving skills, etc

4) Intrapreneurship & Family Managed Business (Intrapreneur & Business person)

Students who are interested in family managed business are mentored by experts & guidance given to take the business to next level & to continue their business legacy. They are trained for the required skills and encouraged for innovative ideas based on the type of business.

5) Training, Research & Consultancy (Trainer & Consultant)

Suryadatta has Industry 4.0 centre of Innovation lab and Centre of Excellence in AI. These labs help the students to work on the research & consultancy projects and live projects received from the companies. This facility helps the students to gain experience & confidence in handling the projects. The interested students can continue to take up such consultancy project work by being associated with many corporates. Students can also train the corporates on the new aspects of technology, research resulting in a win-win association.

6) Services for the Nation & the World (Public service officers / Govt officers / law enforcement officers, Global leaders, etc)

Students at Suryadatta are prepared for various entrance exams related Civil services and Govt jobs. They are encouraged to contribute to Nation Building through careers in Civil services, Armed forces, Judiciary, Organisations of National importance, and also Global organisations such as WHO, UNICEF, etc.

7) CSR, NGO & Social Entrepreneurs

Corporates are tasked with contributing to welfare activities and drive social impact. They require candidates at the managerial level to effectively conduct their CSR activities. Suryadatta prepares the students to manage the CSR departments of top organisations, managing social startups, NGOs, and environmental firms.

Passive Income Sources

As an additional source of income, students are pursuing career in their passion such as starting a new venture (start-up), social entrepreneurship, freelancing, consultancy services, import & export business, real estate business, retail business, digital marketing, graphic designing, UI /UX designing, associate consultancy in cyber security, Blogging, Content writing, Training / Coaching related to academics, sports, zumba, gym, etc, Financial services, event planning, social media marketing, portfolio making, You tube Channel making, website developing, Yoga training, composing music, choreography, brand promotion, Crowdfunding, photography,

.... and many more

We provide holistic development for students by providing multiple career options, skill oriented training programs, technical skills, communication skills, ethical ability, participation in events, interaction with distinguished guests, performance in lab, and tangible and intangible benefits.

By offering students comprehensive growth, a variety of career alternatives, skill-oriented training programs, and total value addition, we help students advanced to the next level.

Co-curricular Activities - Guest Lectures & Seminars

PIAT invites guest speakers from the Interior and allied fields to speak on topics in sync with the curriculum. The institute also invites motivational speakers to inspire students towards their career growth and enhancement of their life.

Ram Mandir Pran Pratishtha Celebration

As the Ram Mandir Pran Pratishtha ceremony unfolds on January 22, in Ayodhya, a sense of excitement has spread throughout India. Individuals have gathered in Ayodhya to witness this historic day. However, those who are unable to attend it in person have found ingenious ways to celebrate the opening of the Ram Mandir. In honour of the ceremony, we have visited Kate Ram Mandir early in the morning, carrying out processions, handing out sweets and much more. In addition, the ceremony concluded with Deepostav.

“AURA”**

Theme Based Exhibition Organised By Suryadatta Students

To showcase the academic and extracurricular talent of the students, PIAT organises a mega exhibition “AURA” every year. It is a theme based exhibition by means of which students get a vibrant platform to showcase their hidden talent and art. This exhibition also provides good opportunity to display their work and get the placement assistance as many Architects, Interior Designers, Builders, Suppliers, Service providers visit this exhibition.

Being a theme based exhibition, each year for the decoration we used various themes like Under Water, Seven Wonders, Best from the waste, Garage, Ajanta caves, Palace, Reflection, Motion etc. Through the exhibition we tried to put focus on some of the social issues like joint family and nuclear families, old age homes etc. Free service of design consultancy to the society was also initiated by the institutes. These themes are created with the aim to add unique identity and interest for the exhibition.

Each year PIAT students and faculty members work day & night to make the event successful. During the exhibition student exhibit their projects, models, paintings, handicraft and portfolios. This event is open for all. It has been receiving tremendous response every year. This is one of the most awaited event for all the students and faculty members. Parents are also looking forward for this exhibition every year.

Future Prospects

Entrepreneurship, Self Employment & Placement Opportunities

PIAT has a Placement Cell to facilitate the students being employed in reputed Architectural and Interior Designing firms as well as known Builders. We guide the students to enroll with Institute of Indian Interior Designers (IIID) through which they can get the jobs in Multinational firms. Every year most of the students get placed through this Placement Cell.

After completing the course of DIDD you can go for Advance course in Landscaping, Interior Design, Vastushastra, Construction Management etc. Students can join any Architectural or Interior Designing firm as an Assistant Designer to start with or they can also work as freelancer on their own projects.

Start Your Rewarding Career Just In Two Years @ Suryadatta

Our Shooting Stars towards Success...

METEORS

About Meteors

This new-fangled edition of our “METEORS” is the very footstone of our success towards eliciting a bulletin defining the modus operandi of our institute ‘SEF’S PIAT’. Meteors is a booklet which displays the various works and achievements by our ex-students, ie. “Our shooting stars.” These students have moved really fast into the field of design to create a bright future for their career. They shine like a shooting star in the field of interior design. This book is an initiative to give a platform to our ‘meteors’ to show the world their work and creativity. And to motivate the ‘new comers’ in the field to be one of them. Our only intention behind publishing the book is to encourage all our students to work harder and harder towards becoming the brightest stars in our field. This being our very first edition we intend to elucidate entire year’s curriculum, the trend setters, our dictum and our purpose while scripting this. We would like to disclose sincere gratitude to our Principal Mr. Ajit D. Shinde, who has been the guiding light behind the advent of the annuals.

Placements

PIAT has strong Students & Alumni Network of over 2500 Professionals, from different parts of India, who are working in the same industry and sending & sharing industrial recruiting requirements to our placement cell through our annual meet "Aura". From every batch around 80% of the students are getting placement in their respective liking job profile through our active placement cell. Many of the students set up their own firm and practise individually.

In PIAT along with regular academics we give hands on exposure and parallel inputs on professional practice, industrial and site visits, personality development, communication skills, etc which helps the students to face the professional life at ease.

Every year we hold an annual exhibition AURA, through which we display the academic work of all the students. Many professionals and companies visit this exhibition and give spot job offers to the deserving students.

Interview Series

Conducting interviews with senior Architects & Interior Designers can offer design students several advantages:

Insights and Experience: Senior architects have extensive experience in the field, providing valuable insights into design principles, project management, client interactions, and industry trends.

Real-World Examples: They can share real-world examples from their projects, illustrating the practical application of design concepts and theories.

Networking Opportunities: Building connections with senior architects can create networking opportunities that may lead to internships, job opportunities, or mentorship. **Feedback and Critique:** Students can receive constructive feedback and critique on their design projects, helping them improve their skills and understand professional standards.

Understanding the Industry: Interviews with senior architects can provide a deeper understanding of the architecture industry, including its challenges, opportunities, and future directions.

Professional Development: Engaging with professionals in the field fosters professional development, helping students refine their career goals and aspirations.

Suryadatta - The Temple of Learning

Value-added modules /courses are designed to enhance the skills, knowledge, and employability of students beyond their regular curriculum and help them to explore new avenues and opportunities for learning and growth.

. These programs help students develop their personal and professional attributes, such as creativity, innovation, problem-solving, teamwork, confidence, and ethics. Value-added programs help students acquire additional skills and qualifications that are relevant and in-demand in the job market. They also help students showcase their achievements and potential to employers and recruiters. Thereby help students increase their chances of getting hired or promoted in their chosen fields or sectors. These programs help students make a positive impact on society by enabling them to contribute to social causes, environmental issues, community development, or nation-building.

As per the NEP 2020, Suryadatta Group of Institutes (SGI) through its series of Institutes offer value added modules / Skill based courses to its students in their area of interest / passion. These courses are provided on voluntary basis to deserving students based on their academic performance.

As a part of life-long learning, these certificate courses are open to all the alumni, professionals, parents, key recruiters interested to acquire additional skills for a sustainable career.

7 Pillars Of Multiple Career Pathways - The Guiding Principle

By education, I mean an all-round drawing of the best in child and man in body, mind and spirit...Mahatma Gandhi.

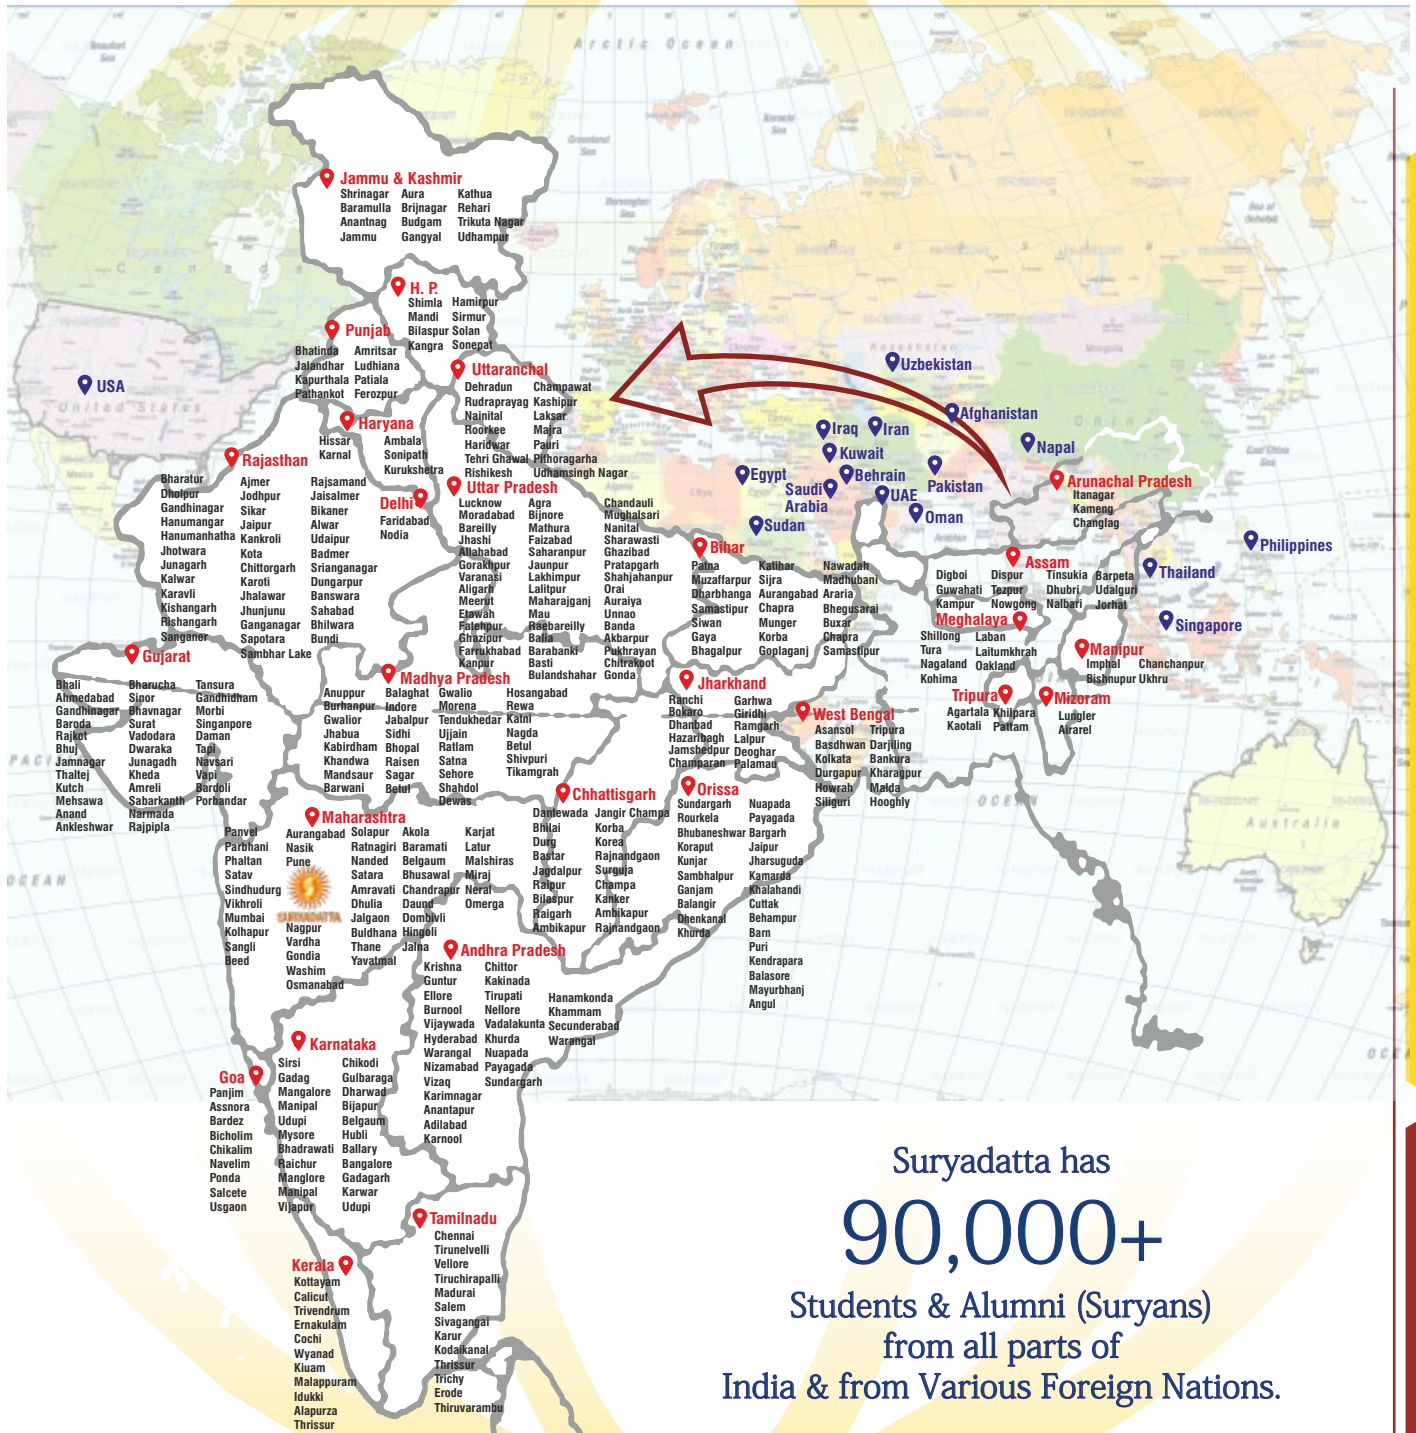

Suryadatta Group of Institutes is guided by the above quote of the father of the nation. All of academic initiatives embody the above ethos, in letter and spirit & thus we go beyond the narrow perspective of education in terms of degrees & jobs.

We believe in creating a transformational educational experience. Various activities are offered round the year for Holistic Development of the students leading to the 7 pillars of Multiple Career Pathways.

- 1. Higher Education & Life long Learning :** Higher Education, Research, Professional Certifications, Executive Education & LifeLong Learning. MBA / PGDM students can pursue PhD from Suryadatta Research Centre or institutes of National / International repute.
- 2. Corporate Careers in National & Multinational Companies :** Explore the future through the blue chip Indian, Multi-National & Transnational Companies operating in India
- 3. Innovation, Startup & Freelancing :** Build on your creativity, innovation to set up & commercialize start ups & pursue Freelancing
- 4. Intrapreneur & Family Managed Business:** Professionalize and Grow the family business and take it to the next level
- 5. Careers in Training, Research Consulting & Education :** Pursue career options in teaching, tutoring, training, coaching, mentoring, research and freelancing.
- 6. Careers in CSR, Social Entrepreneurship & NGOs :** Leave an indelible mark by setting up NGOs, Not for profits and social organizations.
- 7. Services for the Nation & World:** Contribute to nation building through careers in Civil Services, Armed forces, Judiciary, Government Organizations, Organizations of National Importance and careers at the global platform like United Nations, WHO etc.
