# ॐ सूर्यनारायणाय नमः

जपाकुसुमसंकाशं काश्यपेयं महाद्युतिम्  
तमोऽरिं सर्वपापघ्नं प्रणातोऽस्मि दिवाकरम्

The worship of the Sun is as old as civilization.

I bow to you, O Surya, the Son of Kashyapa Muni, the destroyer of darkness and all sins, whose luster is like that of red Jaswand Flower. The worship of the Sun is as old as civilization.

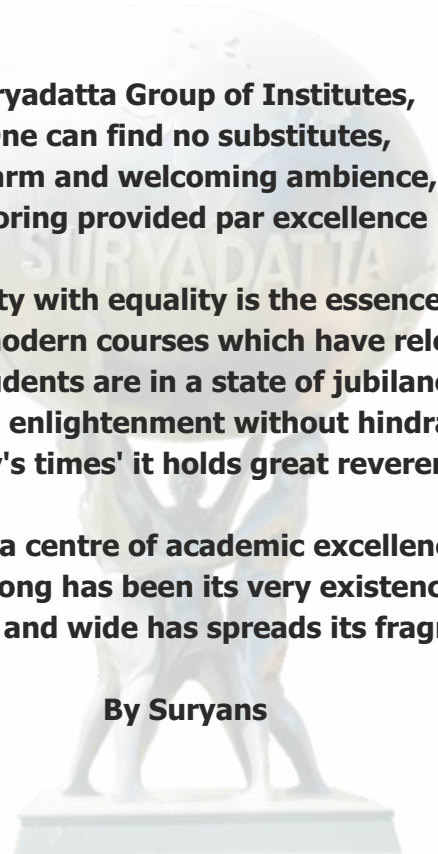

The Sun that awakens man from darkness, the Sun that is so brilliant that it cannot be seen by the naked eye evokes awe in the human mind. In the Rig-Veda, Surya has been described as the life (atma) of all creation. Surya is praised as the God of Gods (Rig-Veda 1.50.10). Homage is paid to Surya by chanting special names while offering him salutation-Surya Namaskara. These twelve names that we use to worship Surya serve to remind us of his glory and power and to be eternally grateful for his constant blessings in our life here on earth.

February 11, 2013

Dear Prof. Dr. Sanjay Chordiya & Mrs. Sushama Chordiya

Please accept warm greetings and congratulations for the function organized on 7<sup>th</sup> Feb. 2013 for presentation of "Suryadatta National Lifetime Achievement Award" and "Suryadatta National Awards 2013".

Due to health problem, I am sorry I could not give full justice to the programme. I have also missed an opportunity to listen to the speeches of the eminent awardees.

Being part of your organization, I was hesitant to accept the award. However your love did not allow me to refuse the same. This programme also provided me an opportunity to meet several friends including Manindarjit Singh Bitta and others.

Love and affection of friends like you has always remained the strength in my life. I am sure that I will continue to receive the same in future.

I have my dream about Suryadatta Group of Institutes. Within few years, this Institute should be "Harvard" of India. Please try to fulfil my dream.

With warm regards and best wishes for Suryadatta Group of Institutes.

Yours sincerely,

Recipient of the Award - **Most Innovative UG/PG College of Maharashtra in Emerging Sector** at the hands of Mr. Amit Deshmukh Cabinet Minister for Medical Education & Cultural affairs Government of Maharashtra in presence of Navabharat MD Mr. Nimish Maheshwari

Dear Students,

I would like to first congratulate and welcome you for choosing Interior Designing as your career and joining this institution. We are bound to make you proud of your decision.

At Suryadatta (PIAT), we just don't believe in imparting academic education but here the education goes beyond books, lectures and submissions. Our aim has been to focus more on building character, enriching mind, sustainable development which adds on to a unique educational experience for lifetime.

Pune Institute of Applied Technology (PIAT) is a school of Interior Designing & Decoration Affiliated to Maharashtra State Board of Technical Education (MSBTE) & Approved by Govt. of Maharashtra.

PIAT has a strong foundation of more than 15 years with around 2500 alumni leading the interior industry. We have a sharing & caring experienced staff aspired to provide round the clock education along with value additions such as seminars, workshops, guest lectures, study tours, site visits, industrial visits, competitions & exhibitions.

We believe that creativity and aesthetic sense of designing various spaces keeping in mind different trends & requirements, is the need of ideal designing. We ensure that college life here would be a memorable experience for our students.

## Infrastructure

## Studio

Pune Institute of Applied Technology (PIAT) has a well equipped studio replete with audio-visual aids such as OHP, LCD, Audio system. The studio is exclusively designed for additional input such as seminars, guest lectures, presentation etc. Interaction with Consultants, Practising Architects and Interior designers enriches the students by providing them an exposure on business & profession covering wide range of topics ranging from Academics to Time Management, Personality Development, Yoga, Stress Management & Global Business Practices.

## Computer Labs

The Suryadatta computer centre is well equipped with computing resources which caters to the academic needs of the students. The computer lab has 32 higher end terminals. Students have unlimited access to internet at these nodes. Softwares available in the lab are Windows XP server, MS Office, Auto-CAD, Google Sketchup etc. The lab can be accessed by the students for about 6 hours a day. Since PIAT has integrated computers for information technology into the learning process, many courses at the institutes use appropriate computer based models.

## Class Rooms

All the class rooms are spacious and equipped with Audio-visual aids such as overhead projector, LCD Projector etc. Classrooms are properly ventilated and have adequate circulation space.

## Library And Information Service

The library is a rich resource centre, providing multi functional services and facilities to meet the ever-growing requirements of the students. It has huge collection of Books, Periodicals, Magazines and Journals on Interior Design, Information Technology and allied areas. Continuing the education after graduation not only broadens the student's set of skills but also opens up new career opportunities. Students will gain an in-depth understanding of the chosen field of specialization. Suryadatta Group of Institutes is a Multi-disciplinary Integrated campus offering PhD (Doctoral) course after completing PG.

### 2) Startup & Innovation (Young Entrepreneur)

Students are encouraged to think creatively and out of the box, to develop innovative solutions. Suryadatta has a separate Innovation & Incubation cell to facilitate the students interested in Start-Ups. The students at Suryadatta are guided by experts / entrepreneurs right from the ideation to establishing of the start-up. These students are not only self-employed, self-reliant but also provide employment to job seekers at a very young age.

### 3) Freelancing (Freelancer)

Students of courses such as Fashion design, Interior design, Animation, event management, Cyber Security, etc can take up projects of their respective domains from companies / individuals and complete / execute it single handedly. Suryadatta encourages such students by connecting with companies or other sources and assist them to get the projects, at the initial stage. Students are trained on general business acumen skills, communication & problem solving skills, etc

### 4) Intrapreneurship & Family Managed Business (Intrapreneur & Business person)

Students who are interested in family managed business are mentored by experts & guidance given to take the business to next level & to continue their business legacy. They are trained for the required skills and encouraged for innovative ideas based on the type of business.

### 5) Training, Research & Consultancy (Trainer & Consultant)

Suryadatta has Industry 4.0 centre of Innovation lab and Centre of Excellence in AI. These labs help the students to work on the research & consultancy projects and live projects received from the companies. This facility helps the students to gain experience & confidence in handling the projects. The interested students can continue to take up such consultancy project work by being associated with many corporates. Students can also train the corporates on the new aspects of technology, research resulting in a win-win association.

### 6) Services for the Nation & the World (Public service officers / Govt officers / law enforcement officers, Global leaders, etc)

Students at Suryadatta are prepared for various entrance exams related Civil services and Govt jobs. They are encouraged to contribute to Nation Building through careers in Civil services, Armed forces, Judiciary, Organisations of National importance, and also Global organisations such as WHO, UNICEF, etc.

### 7) CSR, NGO & Social Entrepreneurs

Corporates are tasked with contributing to welfare activities and drive social impact. They require candidates at the managerial level to effectively conduct their CSR activities. Suryadatta prepares the students to manage the CSR departments of top organisations, managing social startups, NGOs, and environmental firms.

### Passive Income Sources

As an additional source of income, students are pursuing career in their passion such as starting a new venture (start-up), social entrepreneurship, freelancing, consultancy services, import & export business, real estate business, retail business, digital marketing, graphic designing, UI /UX designing, associate consultancy in cyber security, Blogging, Content writing, Training / Coaching related to academics, sports, zumba, gym, etc, Financial services, event planning, social media marketing, portfolio making, You tube Channel making, website developing, Yoga training, composing music, choreography, brand promotion, Crowdfunding, photography,

.... and many more

We provide holistic development for students by providing multiple career options, skill oriented training programs, technical skills, communication skills, ethical ability, participation in events, interaction with distinguished guests, performance in lab, and tangible and intangible benefits.

By offering students comprehensive growth, a variety of career alternatives, skill-oriented training programs, and total value addition, we help students advanced to the next level.

### Ram Mandir Pran Pratishtha Celebration

As the Ram Mandir Pran Pratishtha ceremony unfolds on January 22, in Ayodhya, a sense of excitement has spread throughout India. Individuals have gathered in Ayodhya to witness this historic day. However, those who are unable to attend it in person have found ingenious ways to celebrate the opening of the Ram Mandir. In honour of the ceremony, we have visited Kate Ram Mandir early in the morning, carrying out processions, handing out sweets and much more. In addition, the ceremony concluded with Deepostav.

## Knowledge Management Initiative & Workshops

At Suryadatta we offer value addition programs through out the year by the way of various Seminars and Activities. Whole hearted participation in practical exposure through workshop and activities makes students understand the application knowledge of various material, working and behaviour of material so that proper implementation, proper composition & proper product output is possible. Such activities also make students familiar with different arts & techniques of presentation.

## Theme Based Exhibition Organised By Suryadatta Students

To showcase the academic and extracurricular talent of the students, PIAT organises a mega exhibition "AURA" every year. It is a theme based exhibition by means of which students get a vibrant platform to showcase their hidden talent and art. This exhibition also provides good opportunity to display their work and get the placement assistance as many Architects, Interior Designers, Builders, Suppliers, Service providers visit this exhibition.

Being a theme based exhibition, each year for the decoration we used various themes like Under Water, Seven Wonders, Best from the waste, Garage, Ajanta caves, Palace, Reflection, Motion etc. Through the exhibition we tried to put focus on some of the social issues like joint family and nuclear families, old age homes etc. Free service of design consultancy to the society was also initiated by the institutes. These themes are created with the aim to add unique identity and interest for the exhibition.

Each year PIAT students and faculty members work day & night to make the event successful. During the exhibition student exhibit their projects, models, paintings, handicraft and portfolios. This event is open for all. It has been receiving tremendous response every year. This is one of the most awaited event for all the students and faculty members. Parents are also looking forward for this exhibition every year.

## "METEORS" yearly Magazine

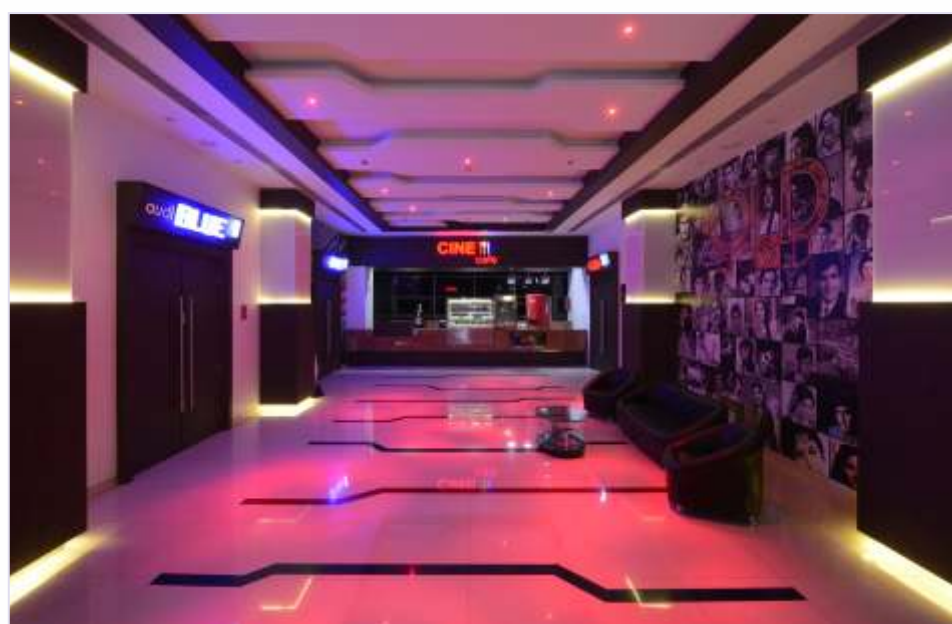

Our Shooting Stars towards Success...

# METEORS

### About Meteors

This new-fangled edition of our "METEORS" is the very footstone of our success towards eliciting a bulletin defining the modus operandi of our institute 'SEF'S PIAT'. Meteors is a booklet which displays the various works and achievements by our ex-students, ie. "Our shooting stars." These students have moved really fast into the field of design to create a bright future for their career. They shine like a shooting star in the field of interior design. This book is an initiative to give a platform to our 'meteors' to show the world their work and creativity. And to motivate the 'new comers' in the field to be one of them. Our only intention behind publishing the book is to encourage all our students to work harder and harder towards becoming the brightest stars in our field. This being our very first edition we intend to elucidate entire year's curriculum, the trend setters, our dictum and our purpose while scripting this. We would like to disclose sincere gratitude to our Principal Mr. Ajit D. Shinde, who has been the guiding light behind the advent of the annuals.

# Placements

PIAT has strong Students & Alumni Network of over 2500 Professionals, from different parts of India, who are working in the same industry and sending & sharing industrial recruiting requirements to our placement cell through our annual meet "Aura". From every batch around 80% of the students are getting placement in their respective liking job profile through our active placement cell. Many of the students set up their own firm and practise individually.

In PIAT along with regular academics we give hands on exposure and parallel inputs on professional practice, industrial and site visits, personality development, communication skills, etc which helps the students to face the professional life at ease.

Every year we hold an annual exhibition AURA, through which we display the academic work of all the students. Many professionals and companies visit this exhibition and give spot job offers to the deserving students.

## Interview Series

Conducting interviews with senior Architects & Interior Designers can offer design students several advantages:

**Insights and Experience:** Senior architects have extensive experience in the field, providing valuable insights into design principles, project management, client interactions, and industry trends.

**Real-World Examples:** They can share real-world examples from their projects, illustrating the practical application of design concepts and theories.

**Networking Opportunities:** Building connections with senior architects can create networking opportunities that may lead to internships, job opportunities, or mentorship. **Feedback and Critique:** Students can receive constructive feedback and critique on their design projects, helping them improve their skills and understand professional standards.

**Understanding the Industry:** Interviews with senior architects can provide a deeper understanding of the architecture industry, including its challenges, opportunities, and future directions.

**Professional Development:** Engaging with professionals in the field fosters professional development, helping students refine their career goals and aspirations.

## SURYADATTA® - Unique 7 Pillar Philosophy

To say that we live in diverse times would now definitely be a buzzword. The world has changed and is still changing at a fast speed. During these volatile and uncertain times when technology has taken main stage, people are working remotely. Industries are changing the way they work and produce. Companies are looking at hiring people with multiple skill sets, multi-tasking and people who can unlearn fast and learn even faster. Life skills, which add capabilities to aid young people in transitioning to an evolving era of work, have been identified as important for the holistic development of young minds. Effectively scaling up the delivery of such innovative programmes, to empower our youth to thrive and equip them with the right skill sets, is the appropriate logical step. Central to this is a systematic approach that can ultimately help integrate life skills training with the mainstream education curriculum & improve the preparedness of the next generation.

Suryadatta-edifying 21st century talent for the nation since 1999. Suryadatta is an educational conglomerate of 23+ recognized Academic Institutions comprising of K-12 schools, Junior colleges, and Higher education institutions offering UG & PG courses, Research centers, Centers of Excellence in training, research & consultancy, Innovation & Incubation centers and many more.
