## THEME BASED EXHIBITION ORGANISED BY SURYADATTA STUDENTS

To showcase the academic and extracurricular talent of the students every year, PIAT organises a mega exhibition “AURA”. It is a theme based exhibition by means of which students get a vibrant platform to showcase their hidden talent and art. This exhibition also provides good opportunity to display their work and get the placement assistance as many Architects, Interior Designers, Builders, Suppliers, Service providers visit this exhibition.

Being a theme based exhibition, every year for the decorum we have used various themes like Under Water, Seven Wonders, Best from the waste, Garage, Ajanta caves, Palace, Reflection, Motion etc. Through the exhibition we have tried to put focus on some of the social issues like joint family and nuclear families, old age homes etc. Even we had given free service of design consultancy to the society. These themes are adding unique identity and interest to the exhibition.

Every year PIAT students and faculty members work day & night to make the event successful. During the exhibition student exhibit their projects, models, paintings, handicraft and portfolios. This event is open for all. It has been receiving tremendous response every year. This is one of the most awaited event for all the students and faculty members. # METEORS

## “METEORS” YEARLY MAGAZINE

### ABOUT METEORS

This new-fangled edition of our “METEORS” is the very footstone of our success towards eliciting a bulletin defining the modus operandi of our institute ‘SEF’S PIAT’. Meteors is a booklet which displays the various works and achievements by our ex-students, ie. “Our shooting stars.” These students have moved really fast into the field of design to create a bright future for their career. They shine like a shooting star in the field of interior design. This book is an initiative to give a platform to our ‘meteors’ to show the world their work and creativity. And to motivate the ‘new comers’ in the field to be one of them. Our only intention behind publishing the book is to encourage all our students to work harder and harder towards becoming the brightest stars in our field. This being our very first edition we intend to elucidate entire year’s curriculum, the trend setters, our dictum and our purpose while scripting this. We would like to disclose sincere gratitude to our Principal Mr. Ajit D. Shinde, who has been the guiding light behind the advent of the annuals.
